

REMARKS

Accompanying the second Preliminary Amendment, please find a Substitute Specification which overcomes the informalities noted in the original specification. The undersigned avers that the enclosed Substitute Specification only includes the changes which are indicated on the accompanying enclosed Marked-Up Specification and does not contain any new subject matter.

Newly entered claims 5-8 merely rewrite the subject matter of original claims 1-4 in a more traditional U.S. claim format. The entered amendments are not, in any way, directed at distinguishing the present invention from any known prior art. Please consider the newly entered claims upon consideration of this application.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
